A Unique Opportunity

Marvelous Creator,
Designer of each snowflake,
You have given me this day as a
unique opportunity.

Today I can know You better.
Today I can walk step-by-step in Your Spirit.
Today I can live Your marvelous love
in fresh, new ways.
Today I can
please You and
praise You and
love You.

Keep me open to
all this day can offer.
Keep me open to
all You want me to
see and
savor and
share.

Father, today
keep me open to You.

Morning Thanksgiving

Father, this day has just begun, and
already thanksgiving bubbles up in my heart.

Thank You for the light and beauty that shine all around me.

Thank You for wrapping me in Your tender care.

Thank You for the natural rhythms You bring to my day.
In Your wisdom, You lead me
to both toil and reflection,
to work and to rest.

Father, Your love takes so many beautiful forms!
But thank You most of all
for the gentle assurance of Your presence and
the whispers of Your peace.

You are with me
wherever I go, and
where You are,
You are
goodness and
power,
provision and
care.

Wherever You are,
You make the ordinary
gloriously divine!

The musical score is written on two staves. The top staff is in treble clef and the bottom staff is in bass clef. The key signature has one flat (B-flat). The melody is in the bass staff, and the accompaniment is in the treble staff. The lyrics are: "You-Father, keep it true to-day." The music is in common time (C). The chords are: C, F, Em⁷, Dm⁷, F, G sus, G, and D.C. al Coda. The melody starts on a whole note in the bass staff, followed by eighth notes, and ends with a quarter note. The accompaniment features chords and a melodic line in the treble staff.

⊕ CODA

The image shows a musical score for the song "Heaven" by The Beatles. It consists of two staves: a guitar staff (top) and a bass staff (bottom). The guitar staff is in treble clef and the bass staff is in bass clef. The key signature is one flat (B-flat), and the time signature is 4/4. The guitar part starts with a chord of G7 sus (G major 7 suspended) over a C chord, followed by a C chord, then an F chord, and finally a C chord. The bass part starts with a C chord, followed by a C chord, then an F chord, and finally a C chord. The lyrics "heav - en." are written below the guitar staff.

Begin with God

Father, I look to You.
All that is began with You.
All that is flows from You –
 all truth,
 all beauty,
 all goodness.
So I begin this day with You.

Father, how much truer,
 how much clearer,
 how much more loving
would my thoughts and desires be
 if they always, only
 began with You?

Today, my Lord, may
 every word and
 every action
arise only from
 love for You and
 a longing for Your glory alone.

How Can We Describe it?

Father, today Your life fills my entire being.

How can I describe it?

Your Word says

it is like breathing the breath of God.

It is like a river of life constantly flowing within.

It is like a deep, inexpressible joy.

Father, as I trust You,

Your life grows in me,

day by day.

Your Spirit joins with my spirit, and

I become more and more like

Your human, holy Son,

Jesus Christ.

He lives in me,

constantly and forever, and

I in Him.

What a joy!

Use Me Today

Father, as this new day begins,
I want it to count for You.

I want it to be a good day with You.
I want to know You better.
I want to draw closer to You.
I want to please You.
I want to be used by You
 to help others,
 to love them for You,
 to draw them to You.

Father, I come to You now because
 there is nothing like Your blessing.
You bring meaning and fulfillment to my life.
You multiply my limited resources.
You cause my puny efforts to bear good fruit.

Bless me today,
use me today
 as I live in You.

Reinvest My Thoughts

*Do not worry about your life,
what you will eat or drink;
or about your body,
what you will wear...
For the pagans run after all these things, and
your heavenly Father knows that you need them.
But seek first his kingdom and his righteousness, and
all these things will be given to you as well. (Matthew 6:25, 32-33, NIV)*

Father,
You take such good care of me that
I need to spend little thought
on myself.

Take my thoughts,
my hopes,
my energies –
all of them –
and invest them where they will get
their best return.
Invest for
Your pleasure and
Your glory.

Fill my mind and
my time
with what matters most to You.

The Little Things

Father, how can I show you my love **today**,
right here in my ordinary life,
with all my ordinary duties?

You don't ask me to do great exploits for You.
You ask me to do little things for You.

Father, help me to do every task today,
no matter how small,
as a personal service to You.

As I do each one,
I will lift it as a praise offering to You.
And as I complete the work,
I will thank You for the strength to do it.

Father God,
You are not pleased or impressed by
the size of the task.
You are pleased by
the love it expresses.

causes the world to fade away.
What are the world and
all its short-lived attractions in comparison to
an eternity of oneness
with Him
in You?

Such a hope inflames me with
Your love.
Your love is a consuming fire that
burns to ashes
everything that is contrary to it.
Once my soul is lit by this flame,
how can I but long to live
constantly, forever in Your presence?

Your burning love kindles within Me
a holy hunger,
a sanctified eagerness,
an unquenchable passion
to see You loved,
known,
served, and
worshiped
by all Your creatures.

Your glory, Lord!
O for Your glory alone!

At the End of the Day

Father, it's nearly bedtime.
My mind is tired.
My body is tired.
But I don't want this day to end
without turning to You once more, at its close.

You were good and faithful today,
just like always.
Thank You, my Father!
You being You
is what makes life wonderful!

I was not always like Christ today:
harsh words...
missed opportunities.
Too often I was distracted from what was
truly important.
Sometimes I forgot to pray
when I needed You most.

But Father, You are
so good,
so forgiving, and
so generous
that I still end this day with a glow of joy.
You are with me, and
I am with You,
always,
completely,
forever.
You love me deeply,
with all Your magnificent being.
How can I help but smile all over,
even when I'm weary
and imperfect!
How can I help but love You!
